National Association for The Education of Young Children presents: Looking at the Basics of Developmentally Appropriate Practice... DVD (Lending time 3 weeks) The basics concepts of DAP aren't difficult or arcane, but they can be understood wrongly or incompletely – and often are! This new resource articulates and illustrates the core concepts in simple, memorable ways, including classroom examples and other techniques. This video gives learners a brief introduction to the foundational ideas of the early childhood field. **Awarded 1 hour PL with group discussion questions.** \$40.00 retaining fee

HIGHSCOPE presents: "IT'S MINE!" Responding to Problems and Conflicts... DVD (Lending time 3 weeks) This DVD shows both younger and older babies and toddlers and the adults who care for them in several HighScope infant-toddler settings. Filled with strategies caregivers can use to respond sensitively and positively to children's social conflicts, the DVD also covers ways to keep conflict to a minimum by creating a warm and play-filled environment. Included are strategies for problem prevention, positive limit-setting, and resolving conflicts – strategies that help children begin to develop

important social, language, and reasoning abilities. With this support at a very early age, children are on their way to becoming cooperative and caring individuals! **Awarded 1 hour PL with group discussion questions.** \$45.00 retaining fee

Highly Successful Strategies to Guide Young Children's Behaviour...DVD (Lending time 3 weeks) See a diverse group of teachers use a variety of proven supportive guidance techniques to foster positive prosocial behavior and self-regulation in the early childhood classroom. Classroom management strategies and discipline are among the most challenging issues that teachers report. The program demonstrates specific methods to deal with an assortment of inappropriate behaviors teachers may encounter. It gives teachers the tools they need to promote prosocial behavior and create a positive classroom environment. A comprehensive Trainer's Guide includes handouts for participants with reflection and discussion topics, resources, a post test and certificates of participation (as a PDF file on the DVD). Chapters include Introduction, Reasons for Inappropriate Behavior, Importance of Our Relationships, The Supportive Guidance Approach, How to Teach Social Skills, Top 20 Supportive Guidance Approach Techniques, and Review. The program was written by Dr. Patricia Vardin, Chair, Early Childhood Education Department, Manhattanville College, Purchase, NY. **Awarded 1.5 hours PL with group discussion questions.** \$40.00 retaining fee.

What Parents Need to Know from Kids About Divorce...DVD (Lending Time 3 weeks) This unique instructional DVD for Parents, Children and Professionals is a compilation of candid interviews with children ages 4-18 talking about their experiences of their parents' divorce. The kids talk about their pain. They talk about their adjustment. They talk about their love and understanding. The children have phenomenal wisdom and compelling practical advice to share. **Awarded 45 minutes of PL with group discussion questions.** \$40 retaining fee.

The High Cost of High Conflict Divorce for Children; Damages Through the Lifespan...DVD (Lending time 3 weeks) Most divorces start out conflictual, but what happens when that conflict persists for years? Research indicates that 5 years after the divorce 1/3 of children are still intensely unhappy, angry and deeply lonely. The consequences of being raised in conflict and disruption linger and their effects last a lifetime! These courageous young people chronicle their life stories and the helplessness, the confusion and the pain so that others can learn from their lives. Their hope is for change for the children today and in the future. **Awarded 45 minutes of PL with group discussion questions.** \$110 retaining fee.

Soyul and Teacher Yvette; Adventures in Preschool Second Language

Acquisition...DVD (Lending time 3 weeks). Soyul and Teacher Yvette documents a dual language learner and her teachers across fourteen months of preschool. This two-disc package, designed for instructors, directors, and teachers, consists of a DVD with three 20-minute videos and a CD-ROM with a Facilitator's Guide in English and Spanish.

Awarded 1.5 hours of PL with group discussion questions. \$70 retaining fee.

Small-Group Times for Active Learners...DVD. (Lending time 3 weeks) Small-group times for active learners brings children and adults together in consistent groupings for hands-on activities based on children's interests and developmental levels. This part of the daily routine gives children a chance to explore a diverse range of ideas and materials in a safe environment with a supportive adult. As you watch this program you will see a wide variety of small-group-time activities and the strategies teachers use to support and build on children's learning. Part 1 of this program is an overview of small-group time. Part 2 shows two unnarrated, extended classroom examples; in this section you will see a HighScope teacher introducing small-group activities to the children in the classroom and participating with the children using a variety of adult-child interaction strategies.

Awarded 1hr15 minutes of PL with group discussion questions. \$90 retaining fee.

Supporting Adult-Child Interactions...DVD. (Lending time 3 weeks) Within the security of trusting relationships, infants and toddlers develop curiosity, initiative, a sense of self, and a desire to explore their world. Adults can foster this development by responding to the young children in their programs with care and respect. **Part 1** of this program, you will learn how to create a climate of trust for infants and toddlers, form partnerships with children, and support children's intentions. **Part 2** provides information on establishing program policies that promote continuity of care. **Part 3**, you'll view several extended unnarrated scenes from HighScope programs illustrating strategies for developing supportive interactions with young children. **Awarded 1.5 PL hours with group discussion questions.** \$95 retaining fee.

Adult-Child Interaction; Communicating to Support Learning....DVD. (Lending time 3 weeks) Within the security of trusting relationships, infants and toddlers develop curiosity, initiative, a sense of self, and a desire to explore their world. Adults can foster this development by responding to the young children in their programs with care and respect. Part 1 of this program, you will learn how to create a climate of trust for infants and toddlers, form partnerships with children, and support children's intentions. Part 2 provides information on establishing program policies that promote continuity of care. Part 3, you'll view several extended unnarrated scenes from HighScope programs illustrating strategies for developing supportive interactions with young children.

Awarded 1hr15 minutes of PL with group discussion questions. \$90 retaining fee.

The Indoor and Outdoor Learning Environment...DVD. (Lending time 3 weeks) Learning environments, both indoor and out, provide early childhood programs with many choices and materials to create learning opportunities. This DVD includes real-life examples of encouraging children's initiative and creativity through supportive environments in a variety of HighScope settings. **Awarded 1hr15 minutes of PL with group discussion questions.** \$90 retaining fee.

The Daily Routine...DVD. (Lending time 3 weeks) A consistent yet flexible schedule gives children a dependable framework in which to learn and grow. This DVD shows how HighScope's daily routine encourages children's ability to plan, act, solve problems, and reflect. It includes an overview of the daily routine and an in-depth examination of a "day-in-the-life" of an actual HighScope program. **Awarded 1hr15 minutes of PL with group discussion questions.** \$90 retaining fee.

Teaching with Puppets...DVD. (Lending time 3 weeks) Jason Sellers, Art Educator at the Rooms, explores the world of puppets, benefits of using puppets, play and pretending with puppets, making puppets, movement with puppets and more. The video explores the theory behind the use of puppets and provides practical strategies for use in the classroom. **Awarded 45minutes of PL with group discussion.** Retaining fee \$50.

NOTE: The individual chapters of this video resource can be access online through the department of Early Childhood Learning. To access the contents, visit: [Teaching with Puppets: A Video Resource for Teachers - Education \(gov.nl.ca\)](http://www.ed.gov/nl/ca)

*If accessing this resource online, a facilitator would still need to borrow the accompanying booklet from the AECENL PL lending library.
